RESPONSE TO NOTICE OF  
DRAWING INCONSISTENCY WITH SPECIFICATION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Drawing Inconsistency with Specification, mailed April 20, 2004, please find enclosed a complete copy of the Figures to be submitted in the above-identified case. Applicants have clearly labeled both Figures 2A and 2B in addition to making other minor revisions to make the drawings consistent with those that were originally filed with the application. Accordingly, the submission of these Figures does not raise any new matter and renders the drawings consistent with the specification. For the above reasons, Applicants respectfully submit that the issuance of the above-identified application is in condition for issuance.

Appl. No. : 09/931,271  
Filed : August 16, 2001

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
